

Price family,

I believe that during my tenure at Longbourn Park, I have more than adequately demonstrated my work ethic, my extensive understanding of materials historical ~~Pin~~ foundational and narrative, and my ~~skills at~~ accomplishments ~~in sewing, cooking and dancing~~ in dance, poetry and acting. I would submit that Tuesday night's performance should ~~more than~~ cement the latter as factual. In addition, I possess a sensibility and finesse not currently found among the gentlemen.

I propose that I shall join the roster of available suitors ~~in~~ and employ my ample talents to woo our guests in a manner perfectly ~~to~~

suited to the core fantasy, at no additional cost. I do, however, ~~request~~ ~~some secondary conditions~~ wish to ~~stipulate secondary~~ add the following agreements to my contract:

2. I shall be permitted to adhere to era-appropriate standards of honour and decency with all guests.

①. Jamie shall no longer be made available as a suitor.

3. Skyler is offered a position among the staff, ~~besides~~ be it Hill, Smith or Price.*

I shall leave it to you whether I should combine ~~these~~ my new role with my current responsibilities, or take on a new person. If I might recommend,

3 of 4

I would be exceedingly well suited
to perform the ^{role} ~~tasks~~ of a ~~dresser~~,
~~tailor, seamstress or~~ milliner,**
providing the guests with a variety
of customisable accessories to
adorn themselves or ~~their~~ ^{with} ~~the~~ ^{which}
~~the~~ suitors.

I shall eagerly await your reply,

Sincerely,

River.

P. S. These agreements are non-
negotiable, and I shall require
them added to my contract regardless
of my role in this park.

As Skyler currently has a career in social work, I believe they could be invaluable in profiling (prospective) guests to ~~better~~ match their narratives to their hopes and expectations.

** Since the profession of milliner was performed by members of both sexes, I shall leave my persona's gender to you / the guests' preferences.
