

In vain I have struggled.

It will not do. You must allow me to tell you how ardently I admire and love you.

I cannot fix on the hour, or the spot, or the look, or the words, which laid the foundation. It is too long ago. I was in the middle of it before I knew that I had begun. I admire you for the liveliness of your mind.

My affection and wishes are unchanged but one word from you will silence me on this subject forever

I watch love blossom, ^{always} from afar
At times, I help it bloom

To mine own heart, the door was
left ajar

Your ~~door~~ ^{hope} has spelled my doom

For I have struggled fiercely, yet
in vain

It simply will not do ^{fiercely}

You must allow me to reveal it plain

~~How ardently that I admire you~~

How much I yearn for you

Dear Miss Skyler,

I watch love blossom, always from afar
At times, I help it bloom
To mine own heart, the door was left ajar
Your **hope** has spelled my doom
For I have struggled fiercely, yet in vain
It simply will not do
You must allow me to reveal it plain
How much I yearn for you
I know not when my love for you began
Or why your eyes can fill me so with glee
For what comes next, I do not have a plan
But one ill word from you shall silence me
