Thank you

We would like to take this opportunity to thank you for purchasing a Cottontail & Whiskers crochet pattern. Many hours of work are involved in its design, test, presentation, publication and release. Your support is why we can continue creating designs which are hoped to give hours of enjoyment. We value you greatly and apologise for problems caused by encryption and watermarking on this PDF.

We know our patterns are illegally distributed online and in private. We take our intellectual property very seriously, but it is impossible to monitor or stop all these acts of petty theft. If you have not purchased this pattern directly from Cottontail & Whiskers, you are in part destroying our passion, belief in people and ability to continue producing designs you obviously enjoy.

The next time you feel like offering a 'bounty', paying 'gold coins', clicking 'likes' or giving a social 'thank you' to the person who shared our hard work for what you might think is free, consider how little we ask and what it took to produce.

Be one of the good guys and support us. Buy your own copy with our thanks, appreciation and full support. Fate willing, we'll be here to assist.

Row 2: 6sc, inc x 7, 6sc (26 sts)

Fasten off and leave a tail for stitching.

Weave in the start tail at the back. Pin and stitch to the back of the body.

Short legs

With the dark brown yarn, ch4

Starting in the 2nd chain from the hook, 3slst back down the chain.

Fasten off and leave a tail for stitching. Pin and stitch to the body (see picture for placement).

Long Legs

For these you'll need the Bobble stitch.

Bobble Stitch

This is a demonstration for a 3dc BOB.

Starting in the 3rd chain from the hook (1).

Begin to make a dc in the stitch but only make the first part of the dc, DON'T yarn over again.

Leave the extra stitch on the hook, so you have 2 loops left on the hook (2).

Make another dc into the same stitch (as above) and you will now have 3 loops on the hook (3).

Repeat this once more until you have 4 loops left on the hook (4).

Now just yarn over and pull it through all 4 loops (5).

slst into the next stitch, it makes the bobble pop out (6).

Carry on with the pattern...

(Make 2)

With the dark brown yarn, ch6

Starting in the 3rd chain from the hook, make a 3dc BOB then 3slst back down the chain.

Fasten off and leave a tail for stitching. Pin and stitch to the body (see picture for placement).

Eyes

Cut 2 circles of felt.

You can either use the beads to stitch through the felt to the head or you can make 2 french knots in black thread.

And you're done!
