

Charles,

Should you ever again
find fault in the ~~area~~
mistakes, Hill or Smith,
you shall address your
complaints to the
kitchen and leave it
to the kitchen.

Fail to adhere to this
demand but once, and
you shall find yourself
eating bodily fluids, the
nature of which I shall
leave to your imagination,
in each of your meals
for the ~~remainder of~~
~~hopefully brief stay~~
hopefully brief remainder
of your stay at Longbourn
Park.

Signed,
THE KITCHEN
