## Thank you

*We would like to take this opportunity to thank you for purchasing a Cottontail & Whiskers crochet pattern. Many hours of work are involved in its design, test, presentation, publication and release. Your support is why we can continue creating designs which are hoped to give hours of enjoyment. We value you greatly and apologise for problems caused by encryption and watermarking on this PDF.*

*We know our patterns are illegally distributed online and in private. We take our intellectual property very seriously, but it is impossible to monitor or stop all these acts of petty theft. If you have not purchased this pattern directly from Cottontail & Whiskers, you are in part destroying our passion, belief in people and ability to continue producing designs you obviously enjoy.*

*The next time you feel like offering a 'bounty', paying 'gold coins', clicking 'likes' or giving a social 'thank you' to the person who shared our hard work for what you might think is free, consider how little we ask and what it took to produce.*

*Be one of the good guys and support us. Buy your own copy with our thanks, appreciation and full support. Fate willing, we'll be here to assist.*

## Pattern

Cut 8 lengths of the green yarn, roughly 8/10 cm.

With the green yarn,

Make 6sc into a magic circle

**Rnd 1:** inc in every stitch (12 sts)

**Rnd 2:** 12sc

**Rnd 3:** inc x 2, 4sc, inc x 2, 4sc (16 sts)

**Rnd 4-5:** 16sc

Make sure the double increases are at the sides, then place the eyes in 5 stitches apart between rnds 3 and 4.

Take 2 of your cut lengths, knot the ends and use your needle to go in through the hole and out through the top of the head for the antenna.

Pull until the knot holds and trim if required.

**Rnd 6:** inc, 7sc, inc, 7sc (18 sts)

**Rnd 7:** 18sc BLO

**Rnd 8:** (2sc, inc) x 6 BLO (24 sts)

**Rnd 9-11:** 24sc BLO

**Rnd 12:** (2sc, dec) x 6 BLO (18 sts)

Use the same method as the antenna to add the six legs.

Trim them and put a knot in the middle of each one.

Then take a length of the white yarn, knot it and come out near the side edge of one eye. Leave that for now.

Begin to stuff.

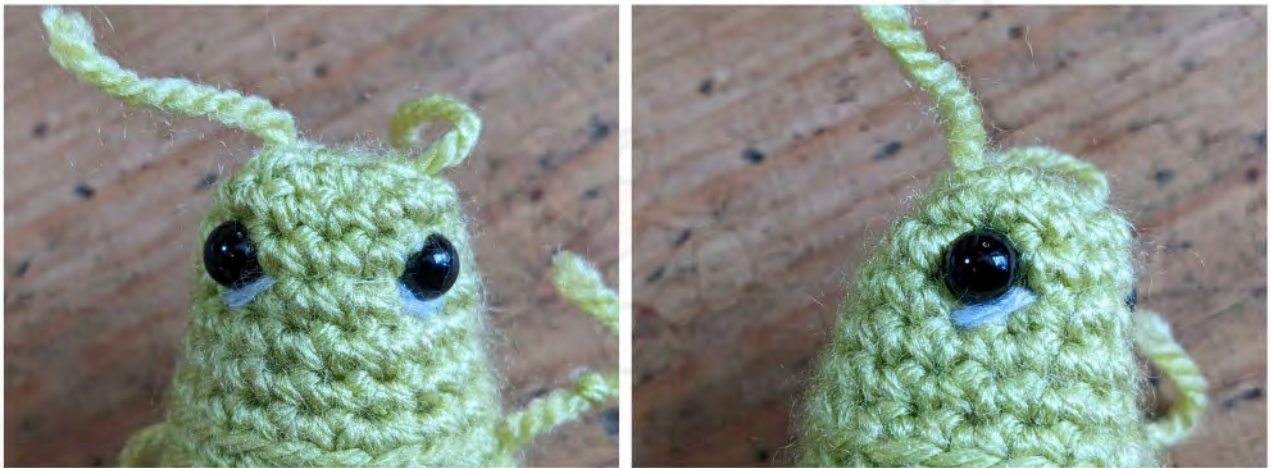

**Rnd 13:** (1sc, dec) x 6 (12 sts)

**Rnd 14:** dec x 6 (6 sts)

**Fasten off**, pop a little more stuffing in and close the hole. Weave in the end.

Use the length of white yarn to make a slip stitch under each eye, weave in the end.

Use the orange felt pen to colour in the end of his legs.

Now give the aphids to your monsters and set them free in your garden!
