Thank you

We would like to take this opportunity to thank you for purchasing a Cottontail & Whiskers crochet pattern. Many hours of work are involved in its design, test, presentation, publication and release. Your support is why we can continue creating designs which are hoped to give hours of enjoyment. We value you greatly and apologise for problems caused by encryption and watermarking on this PDF.

We know our patterns are illegally distributed online and in private. We take our intellectual property very seriously, but it is impossible to monitor or stop all these acts of petty theft. If you have not purchased this pattern directly from Cottontail & Whiskers, you are in part destroying our passion, belief in people and ability to continue producing designs you obviously enjoy.

The next time you feel like offering a 'bounty', paying 'gold coins', clicking 'likes' or giving a social 'thank you' to the person who shared our hard work for what you might think is free, consider how little we ask and what it took to produce.

Be one of the good guys and support us. Buy your own copy with our thanks, appreciation and full support. Fate willing, we'll be here to assist.

The Pattern

For this you'll need the bobble stitch.

Bobble stitch

Start to make a dc in the stitch but only make the first part of the dc, DON'T yarn over again and leave the extra stitch on the hook.

So you have 2 loops left on the hook (1).

Make another dc into the same stitch (as above) and you will now have 3 loops on the hook (2).

Do this three times more until you have 6 loops left on the hook (3).

Now just yarn over (4) and pull it through all 6 loops (5).

Sc in the next stitch (6). Go behind the bobble to do this, it makes the bobble pop out.

This is a demonstration of the 5dc BOB, it is not part of the pattern.

Carry on with the pattern...

Ears

(make 2)

With the main colour yarn,

Make 3sc into a magic circle

Rnd 1: inc in every stitch (6 sts)

Rnd 2: (1sc, inc) x 3 (9 sts)

Rnd 3-7: 9sc

Rnd 8: 7sc, dec (8 sts)

Rnd 9-12: 8sc

Rnd 13: 6sc, dec (7 sts)

Rnd 14-17: 7sc

Rnd 18: 5sc, dec (6 sts)

Rnd 19-34: 6sc

Fasten off and leave a tail for stitching.

Repeat the above for the second ear but **don't fasten off!**

We are now going to join the ears.

I've demonstrated the next row in a contrasting colour to give you a better idea of how the next row is worked.

Rnd 35: 1sc, inc in the ear on your hook, join the 1st ear in the stitch after the **fasten off** (indicated below with a pin) and (1sc, inc) x 3 around the ear. Rejoin the 2nd ear in the first available stitch and (1sc, inc) x 2 (18 sts)

Leave the **fasten off** tail from the first ear to use for stitching later.

Rnd 36: (2sc, inc) x 6 (24 sts)

Rnd 37-39: 24sc

Rnd 40: dec x 12 (12 sts)

Begin to stuff and stuff as you go. Go quite lightly as you want it to be floppy

Rnd 41: dec x 6 (6 sts)

Rnd 42: (1sc, inc) x 3 (9 sts)

Rnd 43: (2sc, inc) x 3 (12 sts)

Rnd 44: (3sc, inc) x 3 (15 sts)

Rnd 45: (4sc, inc) x 3 (18 sts)

Rnd 46: (5sc, inc) x 3 (21 sts)

Rnd 47-49: 21sc

Rnd 50: 11sc, 5dc BOB, 7sc, 5dc BOB, 1sc (21 sts)

Rnd 51: (5sc, dec) x 3 (18 sts)

Rnd 52: dec x 9 (9 sts)

Fasten off and leave a tail for weaving.

Pop in a little more stuffing, stitch close the hole and weave in the end.

Use the **fasten off** tail from the first ear to stitch up the hole between the ears.

Tail

With the white DK or fluffy yarn,

Make 6sc into a magic circle

Rnd 1: inc in every stitch (12 sts)

Rnd 2: 12sc

Rnd 3: (1sc, dec) x 3 (9 sts)

Fasten off and leave a tail for stitching.

Pop a teeny bit of stuffing in, pin and stitch to his bottom.

Nose

Take a length of your nose colour and make two slip stitches, a row apart on the face.

Make lots of small slip stitches vertically along the two lines building up the shape.

Before you weave in the end, push your needle through to his tummy and stitch a teeny X for his tummy button.

Weave in the end.

Eyes

Stitch the eyes to the face just above the nose.

Then make a couple of stitches under the nose to finish him off.

And you're finished!

Why not give Flump the bunny a go and reunite the friends!
